

How To Upload a Competition Image

Tony Lord

Prepare your image file for upload

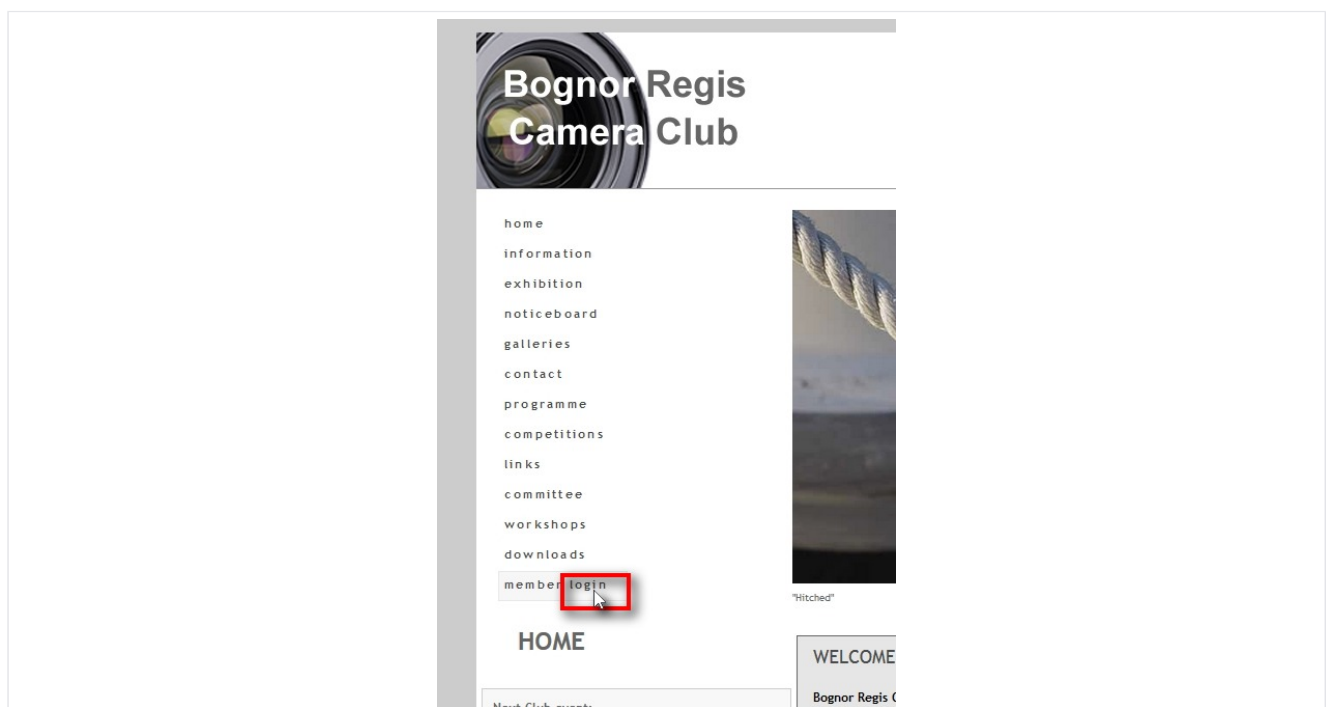

Prepare your image files in accordance with the club's instructions.

I then save them in a folder for this competition so it is clear which are my entries.

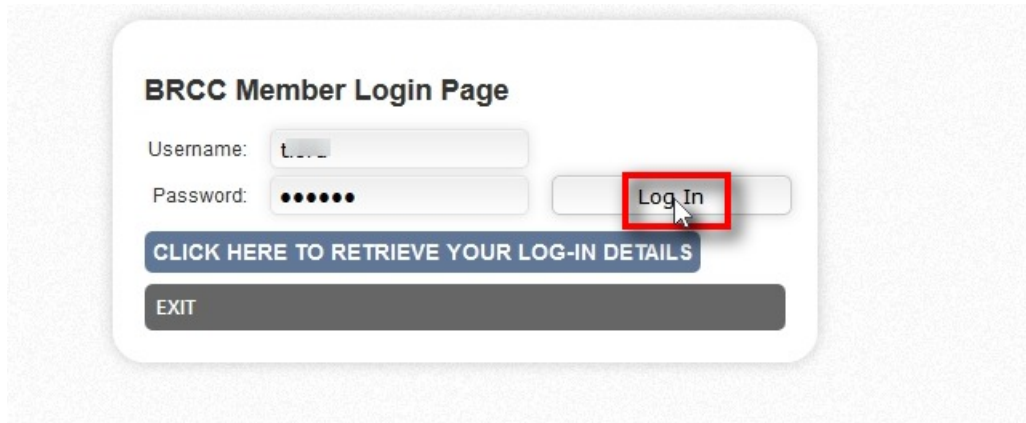

I save a jpg with the original filename so I can trace it back if there is a problem and another copy that is correctly labelled ready for uploading.

Log in

Open a browser with the club's website front page and click on the 'member login' menu item
