We will meet at "The Pond" at 9:30 am – see next page

The Pond

The Pond has now been filled with plants, but will make a good central meeting point

Walk through the Walled Garden from the Canon Lane entrance, through an archway and follow the path the Pond

Demo and examples of:

- Shooting through
- Capturing images for post processing
- Looking for patterns
- ICM or Multiple Exposure OR capturing a series of images for layering together in Photoshop to create Multiple Exposure effects with layers, opacity and blend modes.
- Depth of field
- Looking for backgrounds
- Creating and using your own backgrounds
